Szynaka-Meble (Szynaka-Furniture) Sp. z o.o. is a leading furniture manufacturer in Poland. In its activities it successfully combines business with quality, safety and environmental protection, both in terms of the furniture, as well as implemented processes.

The motto "**Szynaka-Meble Always Close to People**" is evident in every aspect of our business and illustrates the special attention we pay to customers' and employees' satisfaction.

The company offers a wide range of furniture. The furniture meet the versatile features creating a unique atmosphere of bathrooms, kitchens, bedrooms, dining rooms, youth's rooms, hotels and offices.

The beginnings of the company date back to the 1957, when it was a small craft business run by Jan Szynaka. The next stage in the development of the company was in 1985, when the current

Chairman of the Board of Szynaka-Furniture Mr. Jan Szynaka takes over his father's factory. Because of the size and the dynamic development of the company, we are a stable partner for our customers - behind us there is always stable capital and what's most important this is **100% Polish capital, branded by the name Szynaka, of 57-years' tradition in furniture production.** Szynaka-Meble Sp. z o.o. supports all kinds of social activities, not only locally, but also on the regional and national levels. Included are both schools and educational institutions, sports clubs, hospitals, fire brigades, orphanages, educational institutions, NGOs and many others.
