

**Improvement of Vocational Education and Training  
related to Ecodesign and Sustainable Production  
in the Furniture Sector**

**NEWSLETTER 31 March 2015**

[Subscribe to our newsletter](#)

ECO4VET is a EU project, funded by the Life Long Learning programme. It aims to reduce the existing knowledge and skills gaps regarding Ecodesign and Sustainable Production in the furniture sector, delivering Joint Curricula in the participating countries and a Pilot Course.

### Delivered the National Qualification Profiles study

Recently the project delivered a **study about the Qualification Profiles at National level** for the participating countries. These profiles were prepared processing the results of the project previous survey realized to identifying gaps between the current training offer regarding Ecodesign and Sustainable Production and professionals needs in the furniture sector.
